Nice apartment, placed in the very center of the city, across the Student's park and at walking distance from pedestrian zone Knez Mihailova street. Excellent and quick connection with all parts of the city, as well as walking distance from all important amenities for every day life make this location very attractive. The apartment is housed on the second floor of after war building with an elevator. It is renovated with functional layout. Consists of anteroom which leads to living room interconnected with kitchen and a glassed in terrace. The other part of the apartment contains bathroom with shower cabin and bedroom with king size bed and closets. The apartment is furnished in modest, modern manner, having everything for comfortable life. One parking place is reserved on building's parking lot for future tenant. Suitable for s single person or a couple.
