Excellent apartment in a relatively new building on Crveni krst in Vracar. Close to the park, green-market, numerous cafes and restaurants. Thanks to the large number of busy streets in the area, you can quickly reach the highway, as well as the city center. The building has an elegant exterior with a garage space in the basement. The ground floor of the building is occupied by a large market, which is why the number of floors has been increased by one level. Attractive entrance interior, paved with marble. The apartment is housed on the fifth floor and consists of a living room interconnected with a dining room and a kitchen, which has access to a terrace. Private area contains two rooms and a bathroom with a shower cabin. The master bedroom has access to its own bathroom with a shower cabin. The apartment is fully equipped with new, modern furniture. Top quality equipment ensures comfort and convenience. One parking space in the building's garage is also available to future tenants.
