On a beautiful location near the town, on the slopes of Avala, there is a real air spa, ideal for living or vacation. On a vast plot of which a significant part is arranged and covered with plantations of flowers, cedar and other different plants, is a comfortable villa, adapted to modern life, decorated in keeping with the beautiful nature that surrounds it. The villa has two levels, with several bedrooms, a huge living room with fireplace and sauna room, bathroom with Jacuzzi tub and a large porch through which you approached the house. Surrounding the house is perfectly decorated with paths, benches and a large outdoor swimming pool. The house is very suitable for families with kids.
