Good apartment situated in a prewar building, which is well positioned in Vracar area. Very attractive neighborhood, within walking distance from Slavija Square as well as Tasmajdan park. Not very far from the city center and busy streets such as Bulevar kralja Aleksandra and Kneza Milosa Street. Good connection with other parts of the city as well as with the highway exit. The building has it's own backyard, it is indrawn in comparison to the street, so it gives a certain level of privacy. The apartment is housed on the third floor, and spreads to two levels. Lower level consists of a smaller entrance hallway, which leads into a spacious living room with an exit to a terrace of about 30 m². There is also a small additional room, which can be used as working space. Through the living room one can reach a kitchen which is fully equipped and dining room with dining table for eight. There is also a bedroom with a terrace on this level, as well as a bathroom with a bathtub. Upper level of the apartment consists of three bedrooms, one of which is separated while the other two are interconected. This level also has an exit to a terrace of about 30 m², and a bathroom with a bathtub. The apartment is equipped with classical but well maintained furniture, it is spacious, comfortable and convenient for a family. In the building's yard there is one parking space available for the tenant.
