Excellent apartment, housed on the ground floor of a relatively new building with an attractive facade. Located in immediate vicinity of Bulevar kralja Aleksandra street, Zvezdara municipality and Vukov spomenik (Vuk's monument), while the position is well connected to the rest of the city. Quiet street, no. 3 parking zone with many spaces. The building is one of the finest in the area. Stone facade, marble entrance, aluminum carpentry and parking place in the garage are some of the advantages. The apartment consists of an entrance part, which leads into a living room with a dining area, the kitchen is slightly separated. Small hallway leads to the sleeping block with two bedrooms and a bathroom with a jacuzzi bathtub. Main bedroom has it's own wardrobe. It exits to the same terrace as the living room. Stylish interior is complemented by LED lighting in all rooms. Very comfortable for a couple or smaller family.
