This spacious apartment is located in central part of Senjak area, in near vicinity of Topciderska zvezda (Topcider star). At only a few minute walking distance there are well known international schools, as well as a commercial part of the settlement, with numerous banks and frequently visited restaurants. There is also a park in the neighborhood. The apartment is housed on the ground floor of a villa and has an exit to a backyard which occupies around 200 m². The apartment itself is highly functional and well organised, abundant with natural light and spacious. It consists of a large living and dining area, which is in connection with a nice fully equipped kitchen. The apartment has three bedrooms and two bathrooms, one of which is equipped with a shower cabin while the other has a jacuzzi bathtub. High quality interior, with new carpentry and white color dominating throughout. Excellently organised rooms make this space suitable for various business activities, while it is also ideal as a residential apartment for a family with children.
