An excellent apartment situated in older but well maintained building close to St Sava temple. The street is quiet with variety of content in immediate vicinity - numerous shops, restorani, coffee shops, as well as Slavija roundabout. The highway inclusion is at only five minutes driving distance while streets with large frequency of traffic and public transport are at five minutes walking distance. The apartment is housed on the first floor of a building with nice marble entrance. It consists of central hallway which leads to all other rooms: three offices, separate kitchenette, bathroom with shower and small pantry. Hallway is expanded in its middle section, so one more office is designed overlooking the yard. The apartment is completely renovated, equipped with pvc windows, and laminate in oak color. Installed ceramic is high quality, while kitchenette has new cupboards and appliances. Halogen lighting in all rooms make the atmosphere extremely comfortable. This two-side oriented, functional apartment is suitable for business activities.
