Luxurious apartment housed in a new building, in the very center of the city, in immediate vicinity of the pedestrian zone, Kalemegdan park, as well as numerous shops, well known cafes and restaurants. Excellent position for clients who prefer busy city life. Building of attractive classically designed exterior, with wrought iron railings and elegant details. Doorman service is available at the entrance, while there is a garage on - 1 level. The apartment is housed on the sixth floor, and it is characterized by functional structure and abundance of natural light. Very pleasant and fresh interior, equipped with modern furnishings, high quality ceramics, appliances and lighting. The apartment is provided with a "smart house" system. It consists of an open space living room with dining area and a kitchen, which is surrounded by glass walls. Master bedroom could be accessed directly from the living room, it has en-suite bathroom and a walk-in closet. Second bedroom is down the hallway, as well as the second bathroom and a laundry room with washing and drying machines. Modern furniture is in pastel color shades. Comfortable apartment suitable for family life.
