Unusual, very interesting property, on an excellent location. Small, very quiet street, in the vicinity of Belgrade Palace, represents ideal space for life or work. Building is positioned in the inner courtyard, which kept the original look of prewar Belgrade. The apartment has a separated entrance. From the entrance into the building, a staircase leads down to the main area, and the apartment is completely oriented towards the inner courtyard, where, due to the leveling of the terrain, it occupies the position of the first floor. It features a long hallway which leads into each room, comfortable living room with access to a small terrace, a bedroom, nicely equipped mid sized kitchen and a bathroom with a shower cabin. Living room has a spacious built in closet, which spreads throughout the length of the wall. The apartment has a beautiful view over the courtyard, which is well maintained and full of greenery. Very quiet, cozy apartment suitable for residential purposes or a quiet business activity.
