West 65 Tower building complex on a good location near the Airport City business complex. Several supermarkets, as well as Delta City shopping center are located in immediate vicinity. Excellent connection with the main city roads allow easy access to the city center, the airport and other parts of the city. Also, there is a public transport stop with a larger number of lines nearby. It has a children's playground, a nicely arranged area in front of the building, physical and technical security 24/7, a swimming pool with accompanying facilities. In the underground level there is a garage, connected to the residential units by an elevator. The apartment is located on the fourth floor. It features an entrance hallway from, which leads into the living room with dining area and kitchen.There is one bedroom at disposal, as well as a bathroom with a shower cabin. The interior is equipped with modern built-in appliances, furniture, lighting and central air conditioning. Suitable for one person or a couple.
