Exceptional space, on the fifth floor of the West 65 tower. Suitable for both residential and office purposes. Exceptionally lit by natural light, thanks to the floor-to-ceiling tilt windows, with plenty of light throughout the day. Heating and cooling is provided by the fan-coil system, air curtain. Parquet and tiles have been installed in the apartment, also connections have been prepared both for of housing and for the purposes of business space. A hallway leads to the living room, which is one unit with the dining room and the kitchen, which is partially separated by a bar. The entire length of the apartment has an extraordinary view. In the other part of the apartment there are two rooms with two bathrooms and a dining room. Tenants of the tower have the exclusive right to use the swimming pool in the spa center located within the shopping center on the ground floor of the building.
