An excellent apartment in the city center, in Dorcol, in a quiet street in the immediate vicinity of public transport and at only five-minute walk to Knez Mihailova Street. The apartment is housed in an older, well-maintained building on the second floor and has been completely renovated. It consists of an entrance part that leads to the central living room, which leads to all rooms. The bedroom is comfortable and has a double bed. The living room leads to a glass-in terrace. The kitchen is equipped with cupboards and appliances and through it one can enter the bathroom with a shower. Bright colors and elegant details make this apartment a comfortable space for a single person or a couple. Tenants of the building have their own fenced parking lot without numbering.
