Beautiful studio in a great location near Palilula green market and Tašmajdan. A quiet street near a busy boulevard, where there are numerous lines of city traffic. Walking distance to the pedestrian zone, only 15 minutes. The apartment is housed in a pre-war building without an elevator, on the second, top floor. Open space which combines living area, sleeping area with a double bed, a closet, a kitchen with a counter. Completely renovated and furnished with modern, new furniture. The bathroom has a shower cabin. Separated from the apartment is laundry room, as well as a storage room of about 4 m<sup>2</sup>. There is a common terrace for the tenants of the building. Excellent choice for one person in a good location.
