Attractive apartment, located in an older building without an elevator, near the Botanical Garden. Positioned within only fifteen minute walking distance from the pedestrian zone in the very center of the city. It is located on the third floor. Spacious living room is connected with the dining area, while the kitchen is partially separated and fully equipped with elements and appliances. There are three bedrooms, as well as a bathroom with a bathtub. Functional structure, plenty of natural light and modern furniture characterize the interior of this apartment. Suitable for family life.
