Attractive and functional apartment, in a location between Zemun and New Belgrade, near the quay. The location is excellently connected to all parts of the city, and there are various commercial facilities nearby. The apartment is housed on the fifth floor of a building from the 90s, with an elevator. It features an entrance hallway, which leads into each room. There is a living room, a completely separate equipped kitchen, two bedrooms, two terraces, a separate bathroom, a toilet and a storage room. It is fully furnished, equipped with modern furniture. Ideal for a small family.
