Excellent retail space on a busy street near Slavija Square. The location is one of the most frequented in the city after Knez Mihajlova, both because of the traffic itself, and also of pedestrians. It is situated in a building, has a separate entrance, access from the street, a large window. The first level has an open space of about 120 m². The stairs lead to the basement where are two toilets and three storage rooms. The tenant can adapt the space to his needs. A space that is rarely offered. In an ideal location for various business activities.
