An excellent space with a large asphalted lot, positioned next to the highway to Pancevo, in the immediate vicinity of the ring road for Pupinov most and Zemun, with extremely high visibility. The building is built from panels with insulation. It consists of two interconnected warehouse spaces, total area 5,100 m², concrete floor. The height of the warehouse is 10-12 meters. There are 8 truck entrances/exits to the warehouse from the back of the building. The lot is large and offers plenty of space for parking or unloading goods. It is ideal for sales premises, clinics, distribution centers, shopping centers... The distance from Nikola Tesla airport is 33 km, about 30 minutes by car.
