Excellent apartment, located in an attractive location in one of the most modern buildings. The project was developed according to the highest world standards with a private spa center in the basement of the building. This part has a swimming pool, sauna, Turkish bath and a small gym intended exclusively for the tenants of the building. There is also an inner courtyard with a playroom for the tenants of the building, and there is a concierge service at the entrance. The apartment is located on the fourth floor and consists of a hallway leading to a comfortable living room, in form of open space which includes dining area and kitchen. There are three bedrooms, each with a loggia, two bathrooms and a storage room. The interior, lighting and colors are coordinated for the comfortable life of a business person. The apartment has heating and cooling according to consumption, a fan coil system. The building has video surveillance, card access, as well as professional building maintenance. One parking space is provided in the building's garage. Functional and suitable for business activities. Unique property in the city center.
