Excellent apartment, located on the sixth floor of a relatively new building in Trosarina. A high floor and many windows provide plenty of light and a very nice view. The living room opens onto a long, semicircular terrace. Bedroom is spacious, with large closets and a double bed. Second room is a study but, if necessary, it can be used as a children's room. Kitchen is beautiful, modern. Bathroom has a shower cabin. Furniture is very beautiful, modern and the style is minimalistic. Very pleasant, bright and comfortable space, airy and unencumbered. Suitable for a couple or a small family. The building has its own parking lot, but there are not enough spaces for all vehicles.
