Office building in a commercial zone on a busy street. Easy access to highway as well as other parts of the city, as well as close proximity to public transportation stops, make this address easily accessible from all parts of the city. The building was constructed according to high construction standards; completely technically equipped according to the requirements of modern business, with installations carried out through the double floor. It has aluminum carpentry, stop-sol glass, central heating and cooling, physical and technical security service 24/7. The space is located on the fifth floor. Modern architectural design, modern technical equipment and excellent location make this space a desirable address for conducting business activities. Shared use of the kitchen and dining room.
